ERASMUS + PROJECT
«THE POWER OF ART» 2018-2020
https://ec.europa.eu/programmes/erasmus-plus/contact
Exchange of good practices
Promoting the acquisition of skills and competences
Strengthening the profile(s) of the teaching profession
ART is an essential component of child development, fostering key competences as fine motor skills, hand-eye coordination, memory, co-operative skills, solidarity and also creativity.

Children can learn a lot from creating art in class.

ART has a strong connection with mental wellness as well as with physical well-being.

Objectives to achieve

❖ We aim to acquaint our students with the culture of different nations

❖ We intend to show our partners our cultural heritage and get acquainted with theirs

❖ We would like to be aware of the importance of the cultural and historical sites selected
Concrete result to produce

❖ Writing a new story, putting it on stage
❖ Designing and creating one or more mascots (Muses)
❖ Designing and set up the scenery of our musical play
❖ Getting acquainted with our cultural heritage
